

Residential Counselors

Residential Counselors provide supervision of participants for all program activities and residential experiences. Residential Counselors may also act as teaching assistants for the program, providing support in the classroom and during the project blocks. The counselors will support the academic day as needed. During the late afternoon and evening, Residential Counselors will lead supplementary program events such as sports and games, arts and crafts, campus and local excursions, etc. Weekends may include field trips and other organized activities, supervised by the Residential Counselors.

Responsibilities of the Residential Counselors position include:

- Leading afternoon, evening, and weekend recreational and social activities
- Building strong and healthy residential learning communities that enhance participant academic progress and success
- Creating an atmosphere that fosters social growth as well as tolerance, cultural sensitivity, and understanding of individual differences
- Addressing the range of participant needs and taking appropriate action when participants are sick or injured
- Enforcing the rules of the program to keep all participants safe
- Assisting with program set-up, closing and breaking down residence

Qualifications:

- High school diploma and completed at least one year of college
- Summer camp/program experience or experience working with program participants ages 14 – 17 is desirable
- Strong oral and written communication skills
- Creative and positive attitude, and enthusiasm for working with high school program participants
- Adaptability and willingness to complete hard work
- Demonstrated responsibility and leadership skills
- Ability to make good decisions and enforce rules
- A valid driver license and clean driving record is desirable
- College-level coursework in computer science and/or artificial intelligence is desirable
- Willingness and ability to work a non-traditional schedule, including working evenings and weekends
- Must live in college-provided housing during the program
- Availability for mandatory training before the program begins and availability for the entire program
- Must be eligible to work in the United States
- Final candidates will be required to pass a background check

The dates of employment are July 10th - August 1st, 2020. Residential Counselors are required to live in residence for the full duration of the program. Vacation time is unavailable.

The salary for the duration of the program is \$2750. It will be paid out in one installment following the completion of the camp. Housing is provided from July 9th - August 2nd, 2020. Three meals a day are provided starting with dinner on July 9th and ending with lunch on August 2nd.

Please note: During the length of the active program (July 12th - August 1st, 2020), candidates are **full-time employees of the program**. Candidates cannot work any other positions on campus, for which they need to enter time in Time Collection, during that period.
